

Client agreement for referral to Making Space – Supporting People with Hoarding tendencies:

I ----- agree for ----- to make a referral on my behalf to WE Care & Repair to receive support, if eligible, from the Making Space project.

I understand that at this point the person referring me will not share any confidential information. I understand that I will be informed by the person referring me to let me know the outcome. If I am eligible for this support, I understand that a member of staff from WE Care & Repair will call me to find out more information about myself and my circumstances.

I understand that any information I provide or that my referrer provides to Making Space will be treated in strict confidence and be stored securely in line with the Data Protection Act 1998.

I consent to my information being shared with Making Space staff and volunteers to enable provision of a safe, appropriate and responsive service and I understand that staff and volunteers have received training and signed an agreement on handling confidential information and data protection issues.

I understand that WE Care & Repair are bound to Safeguarding legislation whereby they have a legal duty to report to statutory services if they are concerned that I am at serious risk of harm from others, myself or to others. I understand that if my confidentiality is broken due to safeguarding concerns this will be discussed with me first.
